

## **No Lager, nowhere! Affordable housing for everyone!**

Call for a nationwide #NoLagerNowhere day of action at 9th October 2021  
Camps mean racist violence, deprivation of rights, monitoring, isolation and exclusion. This has to stop! We demand housing for everyone! We call out for a nationwide day of action on 9th October 2021. Decentralised but united, to fight and abolish camp structures. Together we will take out our demand to the public:

**No Lager, nowhere!**
